Shu and Henrike have got together to support **LIVESTRONG** and have created a collection of t-shirts using some of Shu's designs... *we hope you'll love them!*

We are now proud to show you the whole collection, we have some very special models coming up soon so look out for those!

Only **\$25** for a shirt, including registered shipping. So, show your support to the world by wearing one or more of these dynamic t-shirts. Mugs are also available - just email us for details.

The money raised will benefit Henrike's fundraising efforts for 2013 and will help fund Shu's iPad initiative (email shu@orange.fr for details of the iPad initiative)

Thanks all,
Henrike & Shu x
